

# SUPREME COURT OF NORWAY

## Infection control measures

**You may not enter the Supreme Court Building if you are in quarantine or in home isolation, have symptoms of a cold or have been abroad during the last 10 days.**

**Only counsel, persons with registered access to the courtrooms and others with necessary errands may enter the Supreme Court Building.**

### **When you enter the Supreme Court Building**

- Apply hand sanitiser before you pass through the security check.
- It is prohibited to eat and drink on the premises, except for in counsel's room. Counsel may bring their own drink to the bar.

### **When you meet others in the common areas**

- Keep a 1–2 meters distance to all other persons.
- Avoid handshaking.
- Avoid taking the elevator with others.
- Keep to the right when you meet others in stairs and corridors.
- Avoid unnecessary stops in stairs and corridors.

### **In the courtrooms**

- Apply hand sanitiser before you enter the courtrooms.
- Keep a distance of at least 2 meters to other persons in the courtroom. Seats that are not to be used are marked. Use the same seat throughout the day.
- Take documents and other belongings with you at the end of the day.

### **Keep good hand and cough hygiene**

- Wash your hands frequently and thoroughly with soap and water.
- Use hand sanitiser where this is available.
- Use paper handkerchiefs if you need to cough/sneeze, and bring them with you home after use. If you have none available, use your elbow.
- We clean several times a day: door handles, elevator panels, handrails, toilets, washstands and other items that are frequently touched.
- We clean daily: courtrooms and counsel's room, including contact surfaces (tables, microphones, armrests, door handles etc.).
